## You know the value of volunteering.

To your community. To yourself. You've got some time to give to the right cause. You're ready for a challenge. And a commitment.

SMD has been making a difference in the lives of persons with disabilities throughout Manitoba for many years. Therapy, counseling, job training and placement, literacy, mobility, transportation, and community awareness - a full range of services to enrich lives and promote equality.

Whatever the need, SMD has been there. So have our volunteers, earning a reputation as some of the most talented and dedicated people working in the volunteer sector today.

## Join SMD's V-Team. Make a Difference.

V-Team volunteers are a diverse group. Because SMD does so much, there are almost limitless opportunities to meet the diverse interests of volunteers. V-Team players are involved in recreation and camp programs, community living projects, preschool education, job training, fund raising, and even administration and communications.

Clearly the skills and knowledge that SMD volunteers gain from their experience will stay with them for life. But equally important is the satisfaction of having played a part in other people's lives and in one's own community.

Examples of volunteer opportunities SMD may have available:

- Group outings
- Leisure programs for adults
- Speakers bureau
- Literacy tutoring
- Assisting in the preschool program for Deaf & hard of hearing children
- Specialty camps for children
- Computer training
- Special events
- Lottery ticket sales
- Wheelchair repair
- Clerical and library assistance
- Information booth displays
